## General Comment

I have worked hard all of my life (until retirement). I have paid all of my required taxes. I have never asked the Government for.

anything and I don't plan on starting (since retirement is a lot easier than work). So what's mine now is mine - DON'T MESS

WITH IT! Government can get their extra money by cutting off welfare to the medically able people that won't work! Finally,

DON'T MESS WITH TEXAS!!!!!!
